Keep Peoria Beautiful has been bestowing these honors for more than 50 years to Peoria businesses and residents for their outstanding effort in improving the appearance of their property.

- **Orchid Awards** are given to businesses that have done an excellent job in site beautification and/or landscaping of their property.
- **Beautification Awards** are given to businesses that have done an outstanding job of landscaping and maintaining their property; a runner up to the Orchid Award.
- **Orchid Maintenance Awards** are presented to businesses that have previously won an Orchid Awards and they continue to maintain their property in excellent condition.
- **Building Beautification Awards** are presented to businesses that have done an outstanding job in renovation and restoration of older buildings.
- **Onion Awards** are given to business properties that are a visual blight in the community. The goal of this award is to encourage businesses to improve the appearance of their property thereby ensuring a cleaner and more beautiful city.
- **Iris Awards** are given to recognize neighborhood associations and individual homeowners for outstanding landscaping and beautification of their homes and gardens.

The winners are announced each September at the Annual Awards Banquet held at Luthy Botanical Gardens. This event helps to elevate community awareness of the importance of beautification and environmental stewardship. Anyone can nominate properties for these awards by visiting our website.
